

The Manitoba Teachers' Society is pleased to offer a variety of professional learning services and events for the 2017-2018 school year:

WORKSHOPS AT MCMASTER HOUSE

- Our first workshop is on **Saturday, September 30: Workshop on Workshops:** Building capacity in teachers to develop presentations and facilitate professional learning for adult learners. Recommended for teachers and leaders who develop and present at PD days and professional learning events. Topics: Conditions and practices for adult learning, brain-friendly teaching; 4C's of workshop design; and facilitation skills for high participation and engagement.
