

PTTA Professional Development Committee

Mission statement:

Pembina Trails Teachers' Association Professional Development Committee is committed to our professional responsibility for ongoing professional development through ensuring that as educators, our Association members have opportunities for meaningful professional development.

It is our mandate to:

1. Promote the significance of professional development within the Association.
2. Recognize the importance of professional development and how it enhances student learning, teacher growth and learning environments.
3. Represent the association members in terms of professional development.
4. Promote teacher autonomy in professional development and support Association members to pursue their professional goals.
5. Communicate professional development issues and information to Association members.
6. Encourage and support collaborative opportunities for Association members.
7. Ensure that there is equitable support for Association members to access professional development.
8. Communicate opportunities, supports and sources of funding for professional development.
